## **SCHOOL COMMITTEE APPLICATION**

**Due March 29, 2024**

Are you looking for a way to be more active in your child's education? If so, please consider applying for a seat on the School Committee.

The responsibilities of the School Committee include:

1. Advise in the development of policies for the school.
2. Advise in the implementation of Parish and Archdiocesan goals.
3. Evaluate programs and procedures.
4. Advance the work of Catholic education and the Catholic faith.

There are 2 openings for the 2024/25 school year. This position is a three-year term: August 2024 to June 2027. School Committee meetings are held on the first Tuesday of every month at 6:00 pm, August through May.

This is a great opportunity to learn what is going on in our school and to share your ideas about improving our children's education. The more people that are involved the richer the experience for our students.
