Safety/Security/Visitor Policy

- School front doors are locked at 8:00 am until dismissal.
- All school doors are locked during the school day.

Providing a nurturing environment where safety comes first!

Your child's safety is our top priority

At St. Edith School, we are dedicated to creating a safe and secure environment for our students, faculty, and staff. We have implemented strict protocols to ensure the well-being of everyone on our premises.

An easy and efficient visitor policy

To maintain a controlled access system, all visitors are required to ring the bell at the school door entrance. Our friendly staff at the School Office will be there to greet you and guide you through the sign-in process.

Teachers focused on student success

From 7:30 am-3:00 pm, our devoted teachers' attention is solely on our students. To ensure an uninterrupted learning environment, we kindly request that parents schedule conferences in advance if they wish to meet with teachers during this time.

A secure drop-off policy

To guarantee the safety of every child, we ask parents bringing their children to leave them at the front school door. Our dedicated staff will ensure they reach their classrooms safely. This policy provides peace of mind for both parents and students alike.

Your child's safety is our promise at St. Edith School, we spare no effort in ensuring the highest level of security for your child. Trust us to provide a safe haven where they can learn and grow with confidence.
