**Annual Parent/Teacher Asbestos Notification**

TO: Parents and Staff of St. Edith Catholic School  
FROM: Mrs. Georgene Wojciechowski, Principal  
DATE: August 2016

St. Edith Catholic School has had an asbestos Management Plan prepared in compliance with the USEPA Asbestos Hazard Emergency Response Act (AHERA). This plan and subsequent updates are available for inspection Monday through Friday during normal school hours in the School Office and/or in the Maintenance Office

Our complex is inspected every six months by AKT Peerless, an environmental and energy service company, and every year we have been found to be in compliance with all regulations.

Bob Calleja, head of our maintenance Department, attends required yearly meetings. Mr. Calleja has taken the required training and is qualified to re-evaluate the condition of asbestos-containing materials in our facility.

If you have any questions, please contact Bob Calleja, Maintenance Asbestos Coordinator, at 734-464-1224.
