Why St. Edith School? We are not simply an alternative to public schools; we are a way to continue the teaching ministry of Jesus.

Dear Prospective Family,

The faculty and administration of St. Edith School thank you for your interest in our school. At St. Edith School, we believe that we all share Catholic faith and values. We provide an excellent formational and educational experience for all our young people. It is our goal to provide a process that nurtures the total academic, spiritual, and physical growth of each child.

We strive to carry out the mission of Catholic education: to bring your child closer to God while we learn, live, and grow together. Helping our students develop positive self esteem and learn to love God, family, and neighbor is part of our ministry. The best way to accomplish these goals is through a cooperative effort between the school and home.

At St. Edith, we offer so much:

- Excellent Academics – IOWA Testing Scores are consistently higher than local, state, and national averages. We help to bring out the best in each student.
- Christian Values – A unique blend of learning, Christian formation in gospel values, and discipline prepare students for higher education and the challenges of a complex world.
- A Safe Environment – Our school is kept secure for the safety of our students.

We look forward to having you join our school family!
