New Family Renaissance Star 360 Consent Form for Testing

Thank you for applying to St. Edith Catholic School. As part of our admissions policy, all new students entering into grades 1st through grade 8 must schedule a Renaissance Star 360 test in Math and Reading. The Renaissance Star 360 is the official testing of all students three times during the school year (fall, winter and spring) to gauge their Math and Reading. Testing will take place in the Computer Lab. An adult monitor will be present at the time of testing. You will be able to wait for your child outside the school office. All testing should be completed within a one hour time period. Once your test has been scheduled and completed, your results will be given to the principal and teacher for review. Parents will also receive a copy of their child's test scores. Please fill out the information below and return to the school office with your application for admission form. **Failure to schedule a Renaissance Star 360 test will delay your admission into St. Edith Catholic School for the 2022-2023 school year. The decision of the administration (Pastor/Principal) for admission is final.**

I consent to have my child(ren) schedule a Renaissance Star 360 test in Math and Reading. I understand failure to schedule a Renaissance Star 360 test with the school office will delay my child's admission into St. Edith Catholic School for the 2022-2023 school year. You will be contacted by the school office to schedule the testing. Please enter your child(ren) below.
