

Dear Parents,

Summer is here! In the midst of your summer fun, please encourage your child to read 20-30 minutes each day. Children who don't read during the summer lose up to one month of their instruction, while children who DO read come back to school ready to learn! Attached is a Summer Reading Log for your child to write down the books they read this summer. The children who return their Summer Reading Logs to me by September 21st will earn a prize. Happy Reading!!

Have a wonderful summer!
