Last \$1 Spirit Day of the year is **this** Monday, May 12th!

We have parishioners who work very hard on making our school and parish grounds look amazing. **Please keep your children out of the plants at the front of the school.**

Updates

Due to teachers in Washington DC, we are celebrating Teacher Appreciation Week next week, the week of May 12th!

Interested in becoming a mentor family for a new St. Edith family? Please fill out this form by Wednesday, May 14th. We will pair you with a new family by the end of the school year. More information will follow.

Keep your kids safe! Do not park in the drop-off line in the mornings. If you need to park, go to the parking lot. Students should be exiting out of the right side of the car, not the left.

This Week with Mrs. Kelly

Just a few more weeks of SEL! K Prep played a fun game to review feelings. Kindergarten practiced "Fair Ways to Play." Grade 1 learned how to use the STEP framework to handle name-calling and teasing. We also reviewed how to be assertive. Grade 2 worked on taking responsibility for actions. We practiced saying: 1) "I'm sorry," 2) "Are you okay?" and 3) "What can I do to make it better?" Grades 3 & 4 worked on handling disagreements using STEP and avoiding "blaming" words. Grade 5 celebrated with some fun games that grow their working memory and impulse control. Grade 6 worked in small groups preparing for their trip to Villa Marie on Tuesday. They also wrote very insightful letters to the incoming 6th grade with advice on how to make the Villa visits successful next year.

MORE DETAILS

Lunch updates

We have heard your feedback! Healthier sides have been offered in the past, but the students are opting to either not take them or choose the less healthy option. However, Mrs. Scaramucci is working with Mr. Modes to improve the sides and provide more options. We are also looking into the possibility of a milk program for next year as well as lunch credits in lieu of makeups for snow days.

Our lunch program proceeds benefit the school every day! Monday, Tuesday, and Friday goes towards the school. Wednesday goes towards the 8th grade trip. Thursday goes to SEPA.

New law in effect: All students must be in at least a booster seat unless they are eight years old or over 4'9". This means for **any** field trip for first grade and under (and many of the second graders) must be in a booster seat for field trips. Please make sure that, if you are not chaperoning a field trip, your student comes in that day with a booster seat.

Volunteers needed

We have an amazing opportunity to help the Pope Francis Center in Detroit. The Pope Francis Center provides meals, supportive services, crisis response, and housing assistance to people in need, especially those experiencing homelessness. They are a beacon of help and hope and treat guests with dignity and love. Due to the incredible generosity of the Knights of Columbus, the Ushers and St. Edith parishioners, we have the funds to purchase supplies to make 250 sack lunches for guests of the Pope Francis Center. What we need now are volunteers to assist in assembling 250 lunches at St. Edith the weekend of June 7 & 8. Please see the schedule below for dates/times. No sign up needed. All ages are welcome! Children must attend with a parent or guardian. Students can use this as a community service opportunity. Please invite your family and friends! Any questions, contact Patti Kelly at 734-464-1222, ext. 301 or pkelly@stedith.org

We will be assembling lunches in the **AV room at St. Edith** on the following dates/times. You can attend for all or part of the time, on one date or more. *Depending on the number of volunteers, we may not go the full time listed.*

Saturday, June 7, 4:00 pm – 5:00 pm

Sunday, June 8, 12:30 pm – 3:00 pm
