This Week with Mrs. Kelly

It was a pleasure working with your children this school year! They remind me every day of the joy and wonder of childhood. I hope that you enjoy a safe, restful, and fun summer.

A recurring topic in SEL has been learning to wait. Providing natural opportunities this summer for your child to hone their waiting skills (without the assistance of technology!) can help next school year. Waiting to talk with you until you finish a conversation, waiting their turn at a board game, etc. are all good practice. Summer also provides good opportunities to build self-confidence – encourage your child to learn a new skill, help with a new chore, challenge themselves with a new sport or outdoor activity. I recently read ***"The Anxious Generation"*** by Jonathan Haidt, and I recommend it for summer reading for parents. It provides a lot of good insight and ideas. **(Editor's Note: Mrs. Scaramucci also recommends this book.)** Happy Summer!

STAR Scores from Spring 2025

Individual STAR reports will be sent out with fourth quarter report cards.

Scaled Score: Ranges from 0-1400 and spans grades 1-12. It is calculated based on the difficulty of the questions and the number of correct responses. Scaled Score is useful for comparing student performance over time and across grades.

Grade Equivalent: Represents how a student's test performance compares with that of other students nationally. For example, if the GE is 5.2, that means this student scores the same as an average fifth grade in the second month, NOT that they can complete fifth-grade level material.

Percentile Rank: Scores range from 1-99 and express student ability relative to the scores of other students in the same grade nationally. For example, if the percentile rank is 75, the student's skills are greater than 75% of other children in the same grade that scored similarly nationwide.

Instructional Reading Level: A criterion-referenced score that is the highest reading level at which a student is 80% proficient or higher at comprehending material with assistance.

Volunteers needed

We have an amazing opportunity to help the Pope Francis Center in Detroit. The Pope Francis Center provides meals, supportive services, crisis response, and housing assistance to people in need, especially those experiencing homelessness. They are a beacon of help and hope and treat guests with dignity and love. Due to the incredible generosity of the Knights of Columbus, the Ushers and St. Edith parishioners, we have the funds to purchase supplies to make 250 sack lunches for guests of the Pope Francis Center. What we need now are volunteers to assist in assembling 250 lunches at St. Edith the weekend of June 7 & 8. Please see the schedule below for dates/times. No sign up needed. All ages are welcome! Children must attend with a parent or guardian. Students can use this as a community service opportunity. Please invite your family and friends! Any questions, contact Patti Kelly at 734-464-1222, ext. 301 or pkelly@stedith.org

We will be assembling lunches in the **AV room at St. Edith** on the following dates/times. You can attend for all or part of the time, on one date or more. *Depending on the number of volunteers, we may not go the full time listed.*

Saturday, June 7, 4:00 pm – 5:00 pm

Sunday, June 8, 12:30 pm – 3:00 pm
