

**JULY 2025**

# SUMMER REMINDERS

## Reminders

Summer work for returning students went home on field day. This must be returned completed on the first day of school as they count for grades.

**Every family** must have a FACTS Family Portal account for incidental billing, field trips, lunch, etc. SECS-MI is the code. **As of July 1<sup>st</sup>, 2025, all incidental billing and fees will be auto-pay.** You will be notified when charges are added, but it will be an auto-pay reminder instead of an invoice. If you are carrying over an incidental fee from last school year, it will be coming out this month on **July 20<sup>th</sup>**. Contact Jackie if you need assistance.

Supply lists for 2025-26 is on the home page of the school website. Lunch orders for September will go out in August and will be due August 26<sup>th</sup>.

The family handbook has been updated for the 2025-26 school year. Please note that smartwatches, connected to phone or not, are not allowed for students. Tommy Hilfiger has added performance quarter-zips in red and navy that are uniform-approved. Light blue polos, shoes, accessories, etc. are no longer uniform for the 2025-26 school year.

## A Note from Mrs. Scaramucci

As we wrap up the 2024-2025 school year at St. Edith, I want to take a moment to thank each one of you for your support and partnership. This year has been filled with growth, discovery, and countless moments of joy as our students embraced new challenges and celebrated their successes. Our dedicated teachers and staff have worked tirelessly to create a nurturing and inspiring environment, and none of this would be possible without the strong connection between home and school. Thank you all for welcoming me as your leader. As we head into summer, I wish you all a restful break. I look forward to welcoming everyone back in August for another exciting year ahead!

## This Week with Mrs. Kelly

As summertime usually brings more screen time, I want to share some resources for keeping your children safe online. An excellent resource to check out is [www.protectyoungeyes.com](http://www.protectyoungeyes.com). They offer a course for parents that comes with a fee, but they also have a lot available for free. Check out the "resources" tab where you will find device guides, app reviews and the latest eye-opening tech research. Another great resource is [www.missingkids.org/netsmartz](http://www.missingkids.org/netsmartz) which has materials for parents and kids to meet them at their age level covering topics like gaming safely, generative AI and cyber bullying. The American Academy of Pediatrics also has a lot of info on media at [www.healthychildren.org](http://www.healthychildren.org). Hope these resources help as you balance screentime with outdoor play, reading, playing board games, and all of the fun activities that summer brings!
