## Uniform Reminders

Shorts are good to go for the remainder of the school year!

Everyone is growing, and with that comes shorter skirts. Remember that skirts should not be rolled and no more than a couple of inches above the knee. If you are in need of a longer skirt, we have a few available for consignment.

Leggings under skirts should be solid black or solid blue, not gray. The leg should be tapered (no flare).

Grades 3-8 should be wearing a belt with pants.

K-4 girls must wear jumpers next year. The exception is for add-to-uniform Fridays where K-4 girls can wear skirts with a St. Edith shirt.

Light blue polos will no longer be permitted for the 2025-26 school year.

## This Week with Mrs. Kelly

St. Edith had a great Lenten Mission presented by Dr. Tim Hogan, a Catholic psychologist and author of "The Gift of Cultural Hurricanes: Tools to Rebuild Authentic Spirituality." He stressed the importance of kids being in nature. This doesn't always translate to a big outing (although the Children's Garden at Matthei Botanical Gardens is a favorite of mine) but can be as simple as venturing into your own backyard or taking a walk outside. Plant a seed or a flower in a pot. Collect pinecones or leaves. Listen for birds and frogs. Dig in the dirt. Not only is nature calming, but it also connects us to God's creation. Dr. Hogan says, "Our hearts naturally find rest in nature, and our bodies relax when in nature because we are surrounded by God's good work of art." So go outdoors with your kids this Spring and experience God's masterpiece!
