WEEKLY NEWSLETTER

Updates and Reminders

The St. Edith Spirit Wear online store is open!

I am working with the Livonia Police Department to get an officer here for Wednesday Mass. If this falls through, I will let you know regarding next steps. An officer will be here next week to do a building safety assessment as well. We are continuing to look into more safety and security options for our school.

Chess Club is attached at the end of the newsletter. Emails for Art Club and Lego Club have been sent out to interested parent leaders. Be on the lookout in the coming weeks for more information!

If your child's shirt is too short to be tucked in to shorts or pants, then it is too short for school. Tucked-in shirts and belts help students look tidy and get invested in their own education!

School Choir- grades 2nd-8th: If your child loves to sing and would like to lead music at the Saturday school masses the first of every month, please consider having them join the school choir. The music sung will be similar to the music sung at the Wednesday school masses. The rehearsals will take place in the church at 4:30pm the first Saturday of the month prior to the 5pm mass. Our first mass will be Saturday, October 4th. For more information and if you would like your child to participate, please reach out to Heather Shina, the Director of Music, at hshina@stedith.org, or

<u>This Week with Mrs. Kelly</u>

This week we kicked off Social Emotional Learning in Kindergarten prep through Grade 5! We reviewed how we can make our time together productive by using good skills for learning and how what we learn can help us manage our feelings, problem solve and work things out with classmates. We always throw a little brain science in there, so ask your student what they learned about the brain this week! We also highlighted how drills are good practice to keep St. Edith School safe. We wrapped up with a fun activity to help us learn ways to interact positively with our classmates.
