This Week with Mrs. Kelly

Another week rolled by in SEL! PK4 practiced sharing after hearing a story about Elephant's struggle to share. K Prep practiced focusing attention; they are getting very good! K started a new unit on managing feelings and noticing how feelings show up in our bodies. Students in grades 1 – 3 continue to build good learning skills by practicing self-talk, being assertive, and focusing attention. Grade 4 worked in small groups overcoming obstacles to reach their goal. Grade 5 refined their individual goals and did an exercise with leaves to practice slowing down and using their senses. Grade 6 visited Villa Marie, and we received many compliments on the students' good behavior.
