This Week with Mrs. Kelly

SEL rocked this week! Kinders worked on waiting and learned some skills to help them wait. 3rd grade started a unit on emotion management and learned that sometimes people have different feelings for the same experience. They also did a "Gratitude Jar" activity – ask them what filled their jar! Grade 4 learned some facts about the brain including the importance of keeping your logic and emotion centers in balance. Grade 6 reflected on their experience at Villa Marie last week and completed the "Thankful ABC's." Science shows that practicing gratitude can make you happier, healthier, and better able to handle stress. Try it today!
