WEEKLY NEWSLETTER

Updates and Reminders

In regard to security, we are continuing our search to make sure we have the best person possible in our school. We appreciate your patience and do apologize for the delay. We are hoping the interviews in December are fruitful and we have someone in place after Christmas break. Thank you to people who have reached out and donated already! As of today, **our total is \$9700**. If you are willing to help, please make checks out to St. Edith Catholic School. Every little bit helps to achieve our goal of **\$50,000**!

December Lunch is open and will close TODAY! Raffle tickets due Monday, December 1st!

Tell us what you love about St. Edith! Click here to give a testimonial.

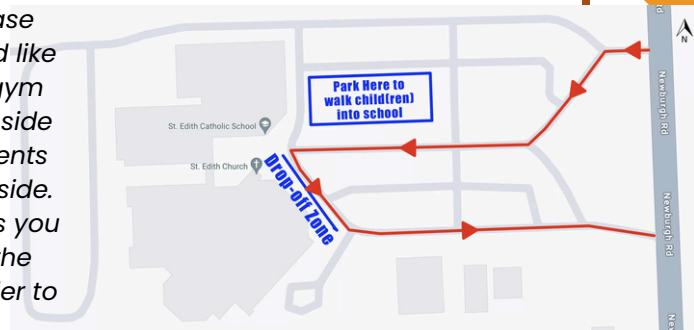

Join the SEPA Facebook group to get up-to-date information specific to St. Edith parents. Like GroupMe, it is another way to make sure you know everything going on at school!

Good luck to our 8th graders who are taking the High School Placement Test this weekend!

If you or your family members are not compliant in VIRTUS, you will not be able to volunteer or chaperone for any St. Edith events. **NO EXCEPTIONS.**

Are you aware of our chaperone code of conduct? Visit the handbook on pages 25 and 26. There are to be **NO STOPS** on a field trip between the destination and the school due to liability.

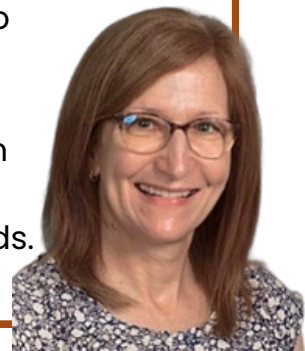

This is a reminder when dropping your student off please follow the arrows outlined in the map below. If you would like to park and walk your child up, you are to park on the gym side of the building. Parking on the parish office/church side is a safety risk. Often cars/trucks/SUVs cannot see students who are running/walking across the parking lot on that side. Also, drivers please make sure you are being cautious as you navigate the parking lot. Please pull up all the way to the end of the sidewalk. Thank you for working with us in order to keep our students safe.

This Week with Mrs. Kelly

We had an "Attitude of Gratitude" in SEL this week! Last week at Mass, Fr. Jim talked about the importance of thanking God for all things. This week, we put that into practice. Kindergarten made leaves for a "Gratitude Tree." They worked hard to draw something or someone that they are thankful for on the leaf. 3rd grade completed the "Thankful ABC's," while 4th grade will be handing out notes of gratitude to others. 6th grade completed "Gratitude Prompts" that made them think about being grateful for more than just "things." Hoping that you have a wonderful Thanksgiving and that you enjoy the time spent with family and friends.

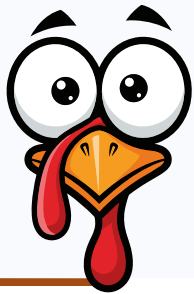

Try to find ways to incorporate gratitude into your family routines!

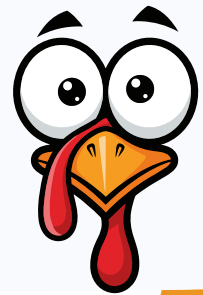

UPCOMING EVENTS!

- [Link to school calendar](#)
