How are your DOVE hours going? Reminder that they are due **Friday, May 29th**. [Click here for more information](#), and check page two of the newsletter for more opportunities! Check your hours by visiting hourschool.io/volunteer/family-portal and enter your email address. You'll receive a secure login link at the email address entered; no password needed. Catholic Schools Week: St. Christine's Donations" has been added to the form to log your hours if you brought in items for St. Christine's.

Parents, please make sure you are packing enough for lunch each day for your child(ren). We do not have enough extras to give lunches to kids who "are still hungry", "didn't have enough", or "didn't like what I have". February lunch is open and orders are due **Wednesday, January 28th**.

Reminder: light blue is no longer a uniform color. Headbands and bows need to be red, white, royal/navy blue, or black. Shoes should be no more than three uniform colors, gray, or black. Light blue, teal, pink, and neon colors are not acceptable.

"Are we going outside today?" I go off of Accuweather Real Feel for Livonia (not Feels Like, Windchill, etc.). If the Real Feel is 10 degrees or above, we will be going outside.

Remember that your child needs to be 24 hours/one day vomit, diarrhea, and fever-free without the aid of medication in order to return to school. Washing hands, not just hand sanitizer, is the best way to slow/stop the spread.

Meet Officer Stephanie! Thursday, January 29th, 3:15 p.m. in the parish hall, children welcome! Thank you to people who have reached out and donated for security! As of today, our total is \$10,680. If you are willing to help, please make checks out to St. Edith Catholic School.

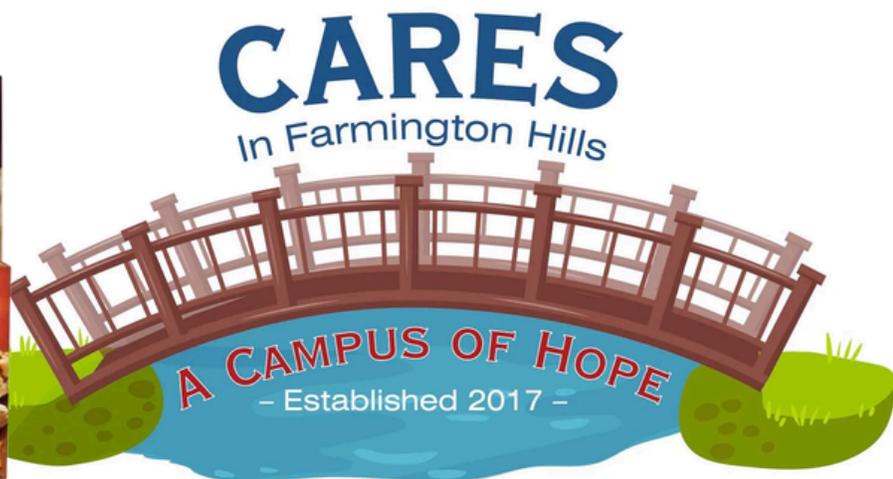

This Week with Mrs. Kelly

The cold didn't stop us from learning in SEL this week! Preschool 4 read "Interrupting Chicken." Ask them what the Little Red Chicken had such a hard time doing. K Prep worked on what to do when friends want to play with the same toy. They did a great job thinking of ways to make it work for everyone. Kindergarten learned that people can have the same or different feelings about the same thing, and that's okay! Grade 1 reviewed fair ways to play and practiced trading, sharing, and taking turns. Grade 2 learned that people have different preferences and opinions and talking to each other and listening can help us all get along better. Grade 4 & 5 played Blurt which helps with impulse control and being a good sport. Stay warm!

Service Update

The 8th grade has the Catholic Social Teaching theme of Option for the Poor and Vulnerable in our community, so **until January 30th**, the 8th grade along with the Student Council will be collecting specific nonperishables for the CARES food pantry, located in Farmington Hills. The CARES food pantry is a vital resource catering to the needs of 650-750 families monthly. Its profound impact lies in being a reliable source of sustenance for those who depend on it, providing essential nourishment and support to families in challenging times, operating solely by appointment. this pantry embodies a sense of structure and efficiency, ensuring each family receives the attention and assistance they require. Its steadfast commitment to serving the community underscores its significance as a pillar of support for those in need. **Nonperishables the pantry needs non-perishables, specifically granola bars, cereal (any kind, brand, or size), crackers, pretzels, fruit cups, and fruit snacks. Thank you for helping the 8th graders and St. Edith Catholic School support CARES!**

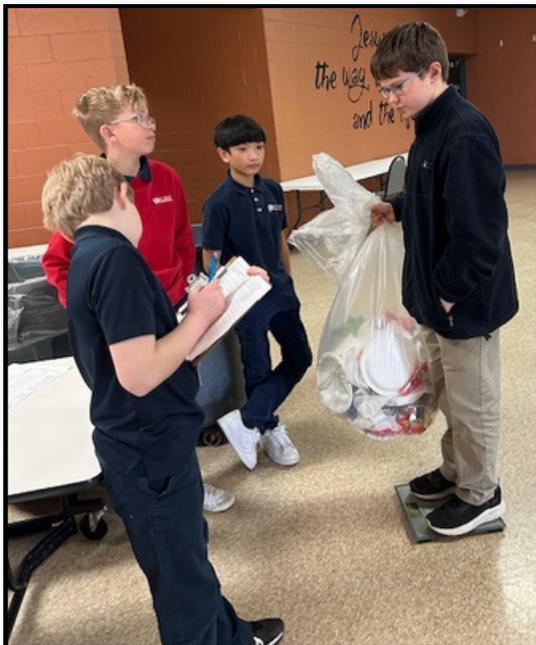

Laudato Si Grant Update

Third graders have been busy as bees preparing for the St. Francis Garden! They made bee hotels that will hang in the garden to attract pollinators. They learned that flowers and veggies depend on pollinators to reproduce. They are eager for “guests” to check in to their hotels in the spring!

A team of sixth grade students took on a special task. They volunteered to weigh the trash in the lunchroom for a week so that a baseline could be established. Stay tuned to see if we are successful in our attempts to reduce the amount of trash that goes to the landfill!
