"Are we going outside today?" I go off of Accuweather Real Feel for Livonia (not Feels Like, Windchill, etc.). If the Real Feel is 10 degrees or above, we will be going outside.

Remember that your child needs to be 24 hours/one day vomit, diarrhea, and fever-free without the aid of medication in order to return to school. Washing hands, not just hand sanitizer, is the best way to slow/stop the spread.

Reminder that there is no school on Monday, February 9th or the week of February 16th!

Today is the last day for your physical SCRIP gift card order for February!

March lunch orders are due February 25th!

This Week with Mrs. Kelly

Hope your February is off to a fantastic start! K Prep and Grade 1 learned how people can have different feelings about the same situation.

Kindergarten and Grade 2 discussed, and practiced, how we can show care and concern for other people.

Kindness does indeed make us strong as people and as a school community! Grade 3 continues to prep for the garden. Please check out pictures from their activity in this newsletter.

Grade 4 explored why people have different points of view and how to learn others points of view by asking them questions and listening to their answers. Grade 5 is learning about stress and why it's important to learn ways to manage it.

SEPA NEEDS YOU!

The St. Edith Parent Association is currently seeking a Treasurer to fill our open board position for the 2026/2027 school year.

If you are interested, please reach out to Kristin Selwa at kristin.selwa@gmail.com

This is an excellent opportunity to engage with the best school community around!

Laudato Si Grant Update

The weather didn't slow down the 3rd grade in getting ready for the garden! This week they learned about compost, recycled organic material like fruits or vegetables and yard waste that naturally breaks down into a rich fertilizer. After learning about what can be composted, students collected fruit waste after lunch and made their own bins in recycled 2 liter bottles. If your students are asking for extra fruit and veggies in their lunch, this may be why! This activity provided great lessons in problem solving, patience, and gratitude for all of the gifts that God has given us.
