Updates and Reminders

You may wear shorts at any time, for the rest of this school year, regardless of weather!

Lunch orders for May are open and due Friday, April 24th. After Easter break, lunch will be on this side of the building every day but Thursday, due to security. Next year, lunch will be on the school side of the building every day. I have been in contact with maintenance to ensure cleanliness as well as scheduling and space usage to guarantee our children are safe.

Hair check! Please make sure boys' hair is above eyebrows, ears, and collar. **Also, make sure hair is brushed and cowlicks are under control.** The overall appearance of all students should be neat, clean, and well-groomed. If you are wearing pants or shorts on non-PE days in grades 3-8, you must have a belt!

Easter break is from **Thursday, April 2nd through Sunday, April 12th**. We will see you back at school on **Monday, April 13th!**

Remember that your child needs to be 24 hours/one day vomit, diarrhea, and fever-free without the aid of medication in order to return to school. Washing hands, not just hand sanitizer, is the best way to slow/stop the spread.

Please stay off the front grass and flower beds as the parish works to get our church spring ready!

This Week with Mrs. Kelly

Kinders practiced managing disappointment and we read a book titled "Sometimes You Get What You Want." They can name a lot of ways to calm down including belly breathing, counting, and finding a color in the room. 3rd grade continues to learn about caring for God's creation, this week focusing on the gift of water. We also cared for God's creation by picking up litter around the St. Edith campus! 4th grade started a new unit on problem solving. Second Step uses "STEP" as a reminder on how to solve a problem: S = Say the problem; T = Think of solutions; E = Explore the outcomes; P = Pick a solution. We'll be practicing this more when students return from break. Happy Easter!

Laudato Si Grant Update

3rd graders cared for God's creation by picking up litter on the St. Edith campus! They learned how trash and pollution can get into our waterways and harm animals and the environment.

A vibrant, cartoon-style illustration of an underwater scene. The background is a deep blue ocean with bubbles and light rays. In the center, a red octopus, a clownfish, a pink fish, and a green sea turtle wearing goggles and a snorkel are swimming. A treasure chest filled with gold coins sits on the sandy ocean floor.
